

Downtown Schoolcraft Streetscape Project

Starting with an initial donation of fifty-five dollars, the Schoolcraft Community Association has raised over one hundred thousand dollars. Our goal is a two million dollar Streetscape Renovation from one end of Schoolcraft to the other. There will be brand new streetlights, flower planters, litter receptacles and benches. These Streetscape improvements will show the pride we all feel for our Village for many years to come.

A Lasting Memorial in a Place of Honor

Here is your opportunity to honor a group or individual who has had an impact on your life.

The Schoolcraft Community Association, in an effort to raise funds for the Streetscape Project, is offering a chance for you to purchase a Streetscape item. If you choose, your contribution will be fitted with a brass plaque as a tribute for all to see.

An Opportunity to Show Civic Pride

Your business or organization will be recognized as a devoted community member for years to come by displaying your name on a public fixture for all to see.

Each can be fitted with a brass plaque with the names of the donors, a memorial or dedication.
